

## **Alyeska Ski Patrol Benefit Auction**

**Shane Patrick**

**Status:** Heterosingular

Shane has been a patroller here for six years and is the owner and handler of Zooka. Patrolling is lucrative enough that he takes the summer off. Shane and Zooka are involved with Alaska Search and Rescue Dogs. Shane likes long walks on moonlit beaches, rocket launches, flying helicopters, foosball, and internet go-fish.

**Brian McGorry**

**Status:** Married

Brian has been patrolling here for five years and is the owner and handler of Fundy. He also spent two years at Sunday River in Maine and one year at Northstar at Tahoe. Brian was formerly a sea kayak program manager and guide. He's currently looking for a new gig, any ideas? Brian still likes sea kayaking, fishing for food, and sometimes gets dragged hiking and backpacking with his wife Summer. He is a member of the Girdwood Fire Department and Alaska Search and Rescue Dogs.

**Kevin Trink**

**Status:** Single in Girdwood

Trinka is also known as the "Prince of Darkness". He has been patrolling here for four years, three of which as the night supervisor. In the summer Kevin drives and restores motorcycles and works for a cruise company. He enjoys riding motorcycles, PBR, cruising, traveling, sailing, and is a fire arms enthusiast. He leaves his guns at home of course.

**Andy Dietrick aka "Big Dog"**

**Status:** Fogged

Andy patrolled at Eaglecrest in Juneau for three years and has been here at Alyeska for four. He also volunteers for the Alaska Mountain Rescue Group. During the summer he can be found captaining boats in his home waters in southeast AK and beyond. Andy enjoys pegging, blowing sh!t up, being good gamed by short women, and spooning Fundy.

**Nat Haley aka "Natbob"**

**Status:** It's Complicated

Nat's an old timer working on his tenth year here at Alyeska. He also patrolled two years at Elk Meadows in Utah. In the summer he is a fishing guide at Katmai Lodge in Southwestern Alaska. Nat's favorite line is, "I don't wanna piss on your baby, but I got some information." As the patrol pacesetter, Nat Bob laid down 33 laps in the 2009 North Face Vertical Challenge. Perhaps more notable, Nat Bob is the current record holder in the Chair 1 Challenge, sitting on top of Alyeska's Wall of Foam with 7 beers.....before Midway.

**Byron Hill aka "Flying Cow"**

**Status:** In Flux

Byron has been at Alyeska for an astounding twelve years and is the former owner of 3 homes in the Girdwood Valley. He also spent one year at Teine Highlands, Japan. In the

summer, Byron is a whitewater river guide. The Flying Cow enjoys skiing, boating, whiskey, the dorns, and is an internet Boggle gold medal winner.

**Tim Glassett aka “Boy Scout”**

**Status:** Strong Healthy Male - No STDs

This is Tim’s second year patrolling. He was a volunteer for one year at Mt. Bachelor in Oregon, but we still like him. Tim is a wildland firefighter in the summer. Tim enjoys making fires and selling popcorn. Tim also is a committed beer drinker at the Sitz and occasionally volunteers at Challenge.

**Mik “The S!\*t” Jedlicka**

**Status:** Rich and Infamous

This is Mik’s second year here at Alyeska after spending five years at Arapahoe Basin. In the summer she works for the Outward Bound Wilderness School in Seward. Mik enjoys skiing, sea kayaking, kayak skiing, and crocheting. Mik is also involved in the Girdwood Trails Committee and a volunteer for Telepalooza. In 2007, Mik paddled the Inside Passage from the San Juan’s in Washington to Glacier Bay in Southeast AK, and she is still involved with her paddling partner, also a patroller here. Upon flubbing her first live bomb toss at A-Basin, Mik has since mastered the practice by throwing 1000 soup cans into an old outhouse.

**Gordy Scott aka “Zorro”**

**Status:** Above Ground

Gordon has been at Alyeska since 1974, maybe longer than anyone, and he’s still happy to live the magic. Gordy has never skied waist-deep powder. He helps snow safety oversee the gun program, and can reportedly hit a sign on center ridge with a round from Gun 2. During the summer he is a commercial fisherman, scout leader, and was a stunt double for “Treebeard” in the Rings trilogy. Gordy enjoys artillery, cookies, going home early, and reminiscing his nude appearance on the Today show.

**Stacie Lordan**

**Status:** In a relationship

Stacie is Alyeska’s token Texan! Straight out of Dallas/Fort Worth! Stacie has been at Alyeska for 12 years – 9 years as a patroller. In the summer, Stacie likes to ride her small, devil-red motorcycle, sea kayak, and quilt. Speaking of small devil, Jim Beam has enabled Stacie to take down the Big Dog on multiple occasions.

**Dave Marshall**

**Status:** Questionable

Dave has been a patroller for zero full seasons and we don’t know if he’s patrolled anywhere else. During the summer he sleeps and works hard to stay out of jail, and occasionally facilitates putting out wildfires. His interests and activities can’t be disclosed at this family event. Dave enjoys being 4<sup>th</sup> place in Town League and supporting local businesses, especially ones that serve drinks. You can call him “nice peanut” or “sweet pea” when you see him around.
