

## ALYESKA RESORT ALASKA

### RECOMMENDED ALYESKA WINTER ITINERARIES

Whether you have half a day or multiple days at Alyeska Resort, our Concierge team has put together their all-time favorite activities for you to choose from in addition to skiing and riding. You can reach the Concierge Desk at 907-754-2108 or [guestservices@alyeskaresort.com](mailto:guestservices@alyeskaresort.com) at your convenience and start planning your dream winter getaway!

#### [½ Day]

- Ride the scenic tram to the top and visit the Round House Museum (free admission). Enjoy incredible views of the surrounding mountains and Turnagain Arm. Grab a mountain-top lunch – for an Alaskan treat, head to the award-winning Seven Glaciers Restaurant (open Friday to Sunday, noon to 5 pm) or grab a quick bite at Glacier Express (open daily, 11 am to 5 pm).
- Or, grab some rental snow shoes or cross country skis and head out onto one of the many trails in the surrounding area where amazing views are everywhere! Go on your own or take a guided half-day tour.

#### [Day One] *Activities listed above plus your choice of:*

- Get the most out of the mountain – take a lesson with a pro at the Mountain Learning Center. Whether you are new to skiing or snowboarding, or advanced and looking to up your game, the instructors at the Mountain Learning Center can turn just another day on the slopes into a extraordinary fun. (Reservations: 907-754-2280)
- Take a scenic helicopter ride for magnificent glacier views. Tours include stops on the glacier or simply fly over the heavily glaciated waters of Prince William Sound.
- Relax with a signature treatment or service in the Spa at Alyeska.

#### [Day Two] *Activities listed above plus your choice of:*

- Dog sled with an authentic Iditarod team and explore the area. The guided tour includes presentation on the history of dog sledding in Alaska while you interact with your musher's adventures on the trail.
- Visit the Girdwood Center for Visual Arts and peruse (and purchase!) works from local artists.
- Learn to ice climb with professional mountaineers and see glaciers and other ice formations up-close. (no experience necessary)

#### [Day Three] *Activities listed above plus your choice of:*

- Join Chugach Powder Guides for a full day of heli or snow cat skiing in the amazing backcountry of the Chugach Mountain Range. The expert guides provide backcountry safety instruction and gear, and knowledge about the terrain, to ensure the best skiing and riding for their guests.
- Snowmobile through a winter wonderland of snow-filled meadows with endless scenic views. Perfect for kids and adults of all abilities, these snowmobile tours provide a group outing designed with multi-generational families in mind.
- Relax with (another) signature treatment or service at The Spa at Alyeska. You deserve it!
