January 11, 2010 (Girdwood, Alaska) – Alyeska Resort will celebrate the Grand Opening of the new Alyeska Pipeline Super Pipe, the first in-ground super pipe in the state of Alaska, during its inaugural event scheduled for Saturday, January 16, 2010. The Super Pipe is located just below the Chair 7 Mid-Station, which allows for optimal viewing and access during all hours Alyeska is open for skiing and riding. The Super Pipe is 300 ft in length and 55 ft in width with 18 ft walls.
