TIME ZONE

Alaska Standard Time (AST) is 4 hours behind New York (EST) and 1 hour behind Seattle (PST).

AVERAGE MONTHLY TEMPERATURE

The northern marine coastal climate is surprisingly mild.

Daytime temperatures average in the low 60s in summer and in the 20s to 30s in winter.

AVERAGE DAYTIME HOURS

Daylight hours range from 7.5 hours in December to nearly 24 hours in June, the time of the midnight sun.

From mid-February to October, Alyeska enjoys more daylight hours than any other location in the continental states.

AERIAL TRAM

ALYESKA AERIAL TRAM

- Scenic ride to 2,300 ft in elevation and the top of Mt. Alyeska.
- Views of the Turnagain Arm, up to seven “hanging” glaciers, and endless peaks deep into the Chugach Mountain Range.
- At the Mountain Station, there is an observation deck providing even more breath-taking panoramic views of majestic mountains, hanging glaciers, sparkling streams, towering spruce, and an array of wildlife.

STAY & SKI

ALYESKA RESORT SKI AREA

- Playground for all levels of skiers and riders.
- 1,610 skiable acres, 76 named trails and over 669” of snow annually.
- Try Fat Tire Biking on the Girdwood Bike Path connecting the hotel directly to the scenic Seward Highway.

HELI-SKIING

- Helicopter skiing in the world-famous Chugach Mountain Range.
- 16,000 - 18,000 vertical feet of heli-skiing.
- Depart directly from the hotel to some of the best back country skiing in Alaska.
- Miles of mountain terrain with alpine bowls, giant mountain faces, massive glaciers and sheltered tree skiing.

NORDIC SKIING

- 5 kilometers of groomed trails for classic and skate skiers as well as numerous meadows.

AMAZING ALASKA

UNIQUE EXPERIENCES

- Nature's perfect backdrop for dancing Northern Lights, also known as Aurora Borealis. Make sure you don't miss this spectacle by using our Northern Lights wake up call.
- Hikers can enjoy outstanding views of the glacier and icebergs floating in the Spencer Glacial lake.
- You never know what wildlife you can run into in Alaska - natural environment to bears, moose, sheep and much more. Visit the Alaska Wildlife Conservation Center to view wildlife up close.
- Due to the sheer size of Alaska's wilderness, flightseeing tours are often the best way to take in all the amazing landscape.

SUMMER AT ALYESKA

- Alyeska Resort is the best “jump-off” spot to experience everything Alaska has to offer. Adventure in the Kenai Peninsula or head north to see Denali.
- During the summer, guests can still partake in the excitement of dog sledding - on a glacier.
- Glacier and wildlife cruises.
- Sea kayaking and fishing charters in Prince William Sound.
- Hiking, river rafting, mountain biking, rock climbing and berry picking.

WELLNESS, REDEFINED

OPENING IN 2021!

ALYESKA NORDIC SPA

Set within the jaw-dropping scenery of Alyeska, is the brand new nordic spa at Alyeska Resort.

The new spa will be one-of-a-kind in Alaska, featuring an indoor-outdoor experience allowing guests a deep connection with nature, total relaxation from modern stresses and moments of unique connection with the companions.

Rooted in time-tested Nordic hydrotherapy practices, your wellness journey will delight your senses and rejuvenate your body and soul. The outdoor pools experience takes you on a refreshing cycle of relaxation while the selection of massage treatments works out the kinks and reinforces the therapy from the pools. Afterwards, a wellness bistro will reward your journey and help create good habits for the future.

An escape to the Alyeska Nordic Spa creates memories that stay within you for life. Get wellness and achieve that elusive state of bliss within the most captivating setting imaginable in the last frontier, Alaska!

REFRESH. INDULGE. RECOVER.

NORDIC SPA MAP

FEATURES:

- Steam and Dry Saunas
- Relaxation Space
- Cold Plunge Pool
- Hot Pool
- Exfoliation Room
- Barrel Saunas
- Bistro

A night photograph of a snowy mountain resort. In the foreground, there are snow-covered evergreen trees. In the middle ground, a large, multi-story resort building with a dark roof and warm interior lights is visible. To the right of the main building is a smaller, brightly lit wooden cabin. The background features snow-capped mountains under a dark blue sky with vibrant green aurora borealis lights. The ground is covered in snow and lit by several small, warm-toned ground lights.
