Winter Fun Facts

Alyeska Resort is home to North America's longest continuous double-black diamond run, The North Face.

Upon spring equinox, Alyeska receives more sunlight per day than any other ski resort in North America.

Alyeska Resort is the only ski resort in North America to boast mountain, glacier and ocean views.

Alyeska Resort is home to multiple Olympians including Tommy Moe (1994 Winter Olympics in Lillehammer, Norway / Gold Medal in Downhill and Silver Medal in Super G); Rosey Fletcher (2006 Winter Olympics in Turin, Italy/ Bronze Medal in the women's Parallel Giant Slalom);

Lisa Murkowski, Alaska's senior US Senator, is an avid skier and long-time Alyeska Resort season pass holder.

About Alyeska Resort (www.alyeskaresort.com)

Alyeska Resort is Alaska's premier year-round destination featuring The Hotel Alyeska, an award-winning 304 room full-service property. Located just 40 miles from Anchorage and Ted Stevens Anchorage International Airport, Alyeska Resort is your base camp for summer and winter excursions. The resort is within close proximity of three national parks and the Kenai Peninsula, and is home to the northernmost coastal temperate rainforest, part of the Chugach Mountain Range. Alyeska Resort stands out during ski season with 643" of average snowfall annually and the longest-continuous double black diamond ski run in North America. Learn more about the resort and plan your Alaskan adventure at www.alyeskaresort.com or 800.880.3880.
